

Director Recommendation from M. Haddad of Hovey Players

"I have had the pleasure of working with Evin Anderson both as an actor for him and as his producer. As his producer, Evin proved himself to be a very organized and efficient director. He was extremely professional during the rehearsal process, gave great notes to actors reading sides for him, and provided some wonderful suggestions for the festival.

As an actor in a piece he directed, Evin came to the first rehearsal with a plan and a vision, yet he was also very open to the ideas and thoughts of the actors. He asked excellent questions, provoking us to really think about our characters and their motivation.

A would fully endorse Evin Anderson on any theatrical project and would be more than pleased to work with him again in the future."
